Message from the President

A new year is upon us, and with that a whole new dive season. I know that the Board of Directors and I are very excited about this year. We have many great things in the works for the season, guest speakers, a rebreather night, Joint club functions, and most importantly DIVES!!! We at the Board will do everything in our powers to bring you a great club year however we are only as good as YOU our fellow members. If you take a cool trip this winter tell the club about it, if you meet a person with a great story get there info and we will have them in as a guest speaker. Most importantly if you want to dive come out with us. This year we will have everything from relaxed weekend shore dives to advanced overnight wreck trips. If you want to try chairing a dive it is as easy as meet here at this time and lets go diving and we at the BOD will help you all the way. I have made so many great friends running dives and I started out just like many of you wanting to but not knowing where to start. I was a member for three years before running a dive and now I have run more than I can count. Anyway throughout the year please give us your feed back good and bad we want to hear it, if there is something you want let us know. On that note here's to a fun new year.

President, Goodreau
(Boy I like the sound of that)
